### Parental Consent and Release

We, \_\_\_\_\_, parents of \_\_\_\_\_,

hereby consent to our teen's participation in the Self-Realization Fellowship **2018 Teen Retreats**. We understand and acknowledge that we are solely responsible for our teen's transportation both to and from the event, as well as for our teen's overnight housing, should it be required. We further acknowledge that Self-Realization Fellowship neither assumes nor accepts responsibility for providing transportation and lodging or making transportation or lodging arrangements for those participating in the event. We hereby agree that we will not hold Self-Realization Fellowship responsible or liable for any injury or harm that our teen may sustain in connection with his/her participation in the event or transportation to and from the event. Also, we consent to Self-Realization Fellowship taking photos of and filming our child, as well as using our teen's written and/or verbal statements regarding his/her experiences at the Teen Retreat and/or spiritual life for use in the SRF publications to encourage others on the spiritual path. *If you will not be taking your teen to the event, we recommend your providing information on where you can be contacted in case of an emergency and medical information for your teen (health insurance information, current medication, allergies to medication, etc.) to the adult who will be supervising your teen during the Self-Realization Fellowship Teen Retreats.*

Please note that the signatures of both parents are required for the consent to be valid. If you are a single parent, only your signature is required. Divorced parents are both required to sign unless one parent lives out of state or the parent signing has legal authority to sign on behalf of both parents. Any consent returned with only one signature constitutes your representation, upon which we can rely, that you have the legal authority to sign on behalf of your child alone. Thank you.
