Temples, Retreats & Ashram Centers

California & Arizona
There is great value in visiting places where saints have lived….Such places are forever permeated with the vibrations left there by the divine souls who walked those grounds. Their vibrations will remain until this earth is dissolved. Where souls have communed with God, there you will find greater communion and response from God. Often such pilgrimages completely change one’s life for the better.

—Paramahansa Yogananda
WELCOME

We are happy to welcome you and hope you will enjoy your visit.

Self-Realization Fellowship, the international nonprofit religious society founded by Paramahansa Yogananda in 1920, is dedicated to carrying on his spiritual and humanitarian work—introducing to truth-seekers throughout the world his universal teachings on the ancient science and philosophy of Yoga, and the time-honored methods of meditation he taught for attaining direct personal experience of God. Through its worldwide service, Self-Realization Fellowship seeks to foster a spirit of greater harmony and goodwill among those of all races, cultures, and creeds, and a deeper understanding of the underlying unity of all religions.

We invite you to visit our ashram centers, temples, and retreats, where the natural beauty and peaceful atmosphere offer refreshment to mind and spirit. Many of these spiritual centers were established by Paramahansa Yogananda during his lifetime, and they have since become places of pilgrimage for thousands of people each year who come from all parts of the globe to visit the sites where this great world teacher lived, worked, and communed with God.

You are welcome also to attend the lecture services and meditations at our temples. Our ministers are available for spiritual counsel and to provide guidance in the study and practice of the Self-Realization Fellowship teachings. Should you wish to speak with a minister, you may make an appointment in advance by calling any of the temples, or by writing or telephoning the Mother Center.

You will find further information about the life and teachings of Paramahansa Yogananda in our descriptive free literature. If you would like to know more about current Self-Realization Fellowship activities, or about our centers and meditation groups around the world, please visit our website, call or write:

Paramahansa Yogananda established the international headquarters of Self-Realization Fellowship in 1925. It is located on the crest of Mt. Washington, five miles from downtown Los Angeles. Here he lived and worked for more than twenty years, and from this center his lectures, writings, and recorded talks are published and made available worldwide. Also situated here are ashrams (monastic communities) for members of the Self-Realization Fellowship Order.

Paramahansa Yogananda’s living quarters at the Mother Center have been preserved as a shrine, and there are exhibits of some of his personal effects in the library and reception hall. The chapel where he conducted services throughout the years is open daily for prayer and meditation. A lovely outdoor “temple of leaves,” where he often gave classes, also invites quiet reflection and meditation, and visitors are welcome to enjoy the Mother Center gardens.

Directions to the crypt of Paramahansa Yogananda and Sri Daya Mata:
• As you enter the Memorial Terrace building, there is a staffed information desk on the left. Inquire with the employee working there for directions to the crypts of Paramahansa Yogananda and Sri Daya Mata.
• Devotees will be interested to note that on the bench at the end of the hall, just opposite Sri Daya Mata’s crypt, is a quotation from our Guru, lovingly placed by an anonymous donor.
When you know God as peace within, then you will realize Him as peace existing in the universal harmony of all things without.

— Paramahansa Yogananda
The Self-Realization Fellowship Retreats welcome all who wish to get away from the pressures of daily life for a period of spiritual renewal in a surrounding of natural beauty. Paramahansa Yogananda started the first Self-Realization Fellowship Retreat in Encinitas and established guidelines for future SRF retreats—including the *How-to-Live* Retreat programs held at these facilities.

Retreat accommodations are available on a donation basis. On many weekends, special conducted retreat programs are scheduled at Encinitas, Lake Shrine, and Hidden Valley, led by monastic disciples of the Self-Realization Order, including some in Spanish. Advance reservations are necessary for both weekday and weekend retreats and should be made directly with the Retreat.

For full information about the *How-to-Live Retreat* programs at each location, and for dates of the conducted weekend retreats, please visit www.yogananda-srf.org.
